

## Use our New Part Conversion Tool on Carrlane.com

[carrlane.com/competitor-part-search](https://carrlane.com/competitor-part-search)

Are you searching for an equivalent Carr Lane part for a competitor's part? Look no further. Our powerful search tool allows you to find the Carr Lane alternative seamlessly by entering the part number.

- Stock Status
- Equivalent or Functionally Equivalent
- Price and QTY breaks
- Enter multiple parts at once

Please reach out to [engineering@carrlane.com](mailto:engineering@carrlane.com) with any questions or concerns.

## Thank You

We greatly appreciate your business and look forward to being your preferred product solution in the future. Carr Lane Mfg. is proud to manufacture and sell American-made fixture components, with most of our fixture fabrication completed in St. Louis, MO, and Austin, TX. Browse our complete product catalog at [carrlane.com/product](https://carrlane.com/product) to find solutions to your needs.

## Our Promise of Quality

Since 1952, Carr Lane Mfg. has been committed to being the world's preferred source of tooling components by continuously improving products, processes, and services to exceed our customers' expectations.
